

Downloading Power BI <Doc 000048X-Day 00006Y BI>

Monday, July 31, 2023 4:42 PM

07.04.2023

We're using the April 2023 Version of Power BI for the Course

Type "apps.microsoft.com" in your URL Bar

Search all applications Field: Power BI Desktop Value

Click the Power BI Desktop's Gray Rectangular Get in Store app Button from the Search Results

Click the Black Rectangular Open Microsoft Store Button

The Microsoft Store Box Pops Up

Click the Blue Rectangular Open Button

Power BI should Open on your Desktop

- ★ If you install Power BI through Microsoft's App Store then Windows will automatically handle updates
- ★ You do NOT need to register for a Power BI Pro Account to access Power BI Desktop
